

SCHOFIELDS, NSW

Display Suite Design & Construction

Thomas Property in conjunction with CGD Constructions have recently completed a Display Suite for Non-Government client.

The design concept of shipping containers are unique which provides our clients the opportunity to reuse the concept for another development site.

The cost of design concept as follows:

- * Design and construction \$534,600 (including GST)
- * Consultant fees \$40,700 (including GST)
- * Including 3x concepts, 3x layouts and 3x site plans
- * Landscaping and installation included in design price

The market is aware of our groups' capacity, experience and innovative approach to delivering creative solutions. Together we have established with a structure that can readily fac
